Education

Bachelor of Technology in Computer Science

XYZ University, New York, NY

2019 - 2023

- GPA: 3.8/4.0
- Relevant coursework: Data Structures, Algorithms, Operating Systems, Machine Learning, Database Management

Technical Skills

- Programming Languages: C, C++, Python, Java, JavaScript
- Web Technologies: HTML, CSS, React.js, Node.js
- Tools & Platforms: Git, Docker, AWS, Linux
- Database Management: MySQL, MongoDB
- Others: Data Analysis, Problem Solving, Agile Methodologies

Projects

1. E-Commerce Website Development
 - Designed and developed a full-stack e-commerce web application using React.js and Node.js.
 - Implemented features such as user authentication, product management, and secure payment integration.
 - Deployed the application on AWS and optimized performance to handle 500+ concurrent users.
2. Machine Learning Model for Sentiment Analysis

- Built a sentiment analysis model using Python and scikit-learn to classify customer feedback.
- Preprocessed data using natural language processing (NLP) techniques.
- Achieved an accuracy of 85% on the test dataset.

Experience

Intern, Software Developer

Tech Solutions Inc., Boston, MA

June 2022 - August 2022

- Collaborated with a team of developers to design and implement new features for the company's core product.
- Optimized database queries, reducing response time by 30%.
- Documented processes and provided training to junior team members.

Extracurricular Activities

- Volunteer, Code4Change: Organized workshops on coding and technology for underprivileged students.
- Member, Robotics Club: Contributed to university hackathons and programming competitions.
- Organizer, TechFest 2022: Managed logistics and sponsorship for the annual tech fest at the university.

Achievements

- Winner, HackNY Hackathon: Developed a healthcare app that won 1st place among 200 participants.
- Certification: Completed AWS Certified Solutions Architect.
- Ranked in the top 5% in Google Code Jam.

Interests

- Exploring new technologies and frameworks
- Competitive programming
- Blogging about tech trends
